The Lowell National Historical Park quarter is the 46th release in the United States Mint America the Beautiful Quarters Program, a 12-year initiative that honors 56 national parks and other national sites authorized by Public Law 110-456. Each year, the public will see five new national sites depicted on the reverses (tails sides) of the America the Beautiful Quarters. The United States Mint is issuing these quarters in the order in which the national sites were officially established.
